College of
Osteopathic
Medicine

TECHNOLOGY OVERVIEW

Piazza

Students regularly discuss curricular materials online with their academic community. This resource allows for interaction amongst students and faculty thereby improving the exchange of knowledge. **Student Academic Forum:** <https://piazza.com/nyitcom>

Library Resources

NYITCOM provides students with a collection of Medical Databases for reading, research and reference. <http://www.nyit.edu/library/medicine>

ICC Simulation

The ICC utilizes Standardized Patients, mannequin-based simulators and a staff trained in simulation and medical education and test development.

www.nyit.edu/nyitcomicc

COMBANK

COMBANK, a customizable testing experience, contains COMLEX-style test questions.

Additional information regarding log in and subscription will be provided soon.

This is provided by NYITCOM.

<http://www.combankmed.com/>
